

06-June-2019

World Environment Day - 2019.

We, at Purna Chetana Public School, celebrated World Environment Day on June 06, 2019 as June 05, 2019 happened to be a public holiday due to Id-ul-fitr. A tree plantation drive was conducted in our school on the occasion of World Environment Day. The main aim of this drive was to spread and create awareness to protect the environment from degradation. The programme started with an inspiring speech from the President of our Trust on the effects of global warming and the importance of trees in our lives. Upon his instructions, the students of all the classes planted saplings in the campus. The event was a grand success as the management, staff and students contributed profoundly for this day. The event ended on a happy note with the students taking an oath to prevent the environment from all sorts of pollution by contributing their mite in day to day life.

“Let’s nurture nature so that we can have a better future”

Few Snaps of the Event
